

Guideline Accessing SHDL eResources & Publications via Virtual Private Network (MMU VPN) for AppleMac, Android, Microsoft

1. SHDL eResources & Publications such as MMU Past Year Questions (PYQ), theses, etc are now accessible via MMU VPN.
2. Please refer to the guideline shared by NICE on the Virtual Private Network (VPN) installation for all devices (AppleMac, Android, Microsoft):
<https://nice.mmu.edu.my/vpn/>
3. Once installation is completed, kindly connect using MMU IDM.
4. You may access the SHDL eResources & Publication via the SHDL portal or the URL: <http://erep.mmu.edu.my>

The screenshot shows the 'eResources & Publication' portal for Multimedia University (MMU). The header includes the MMU logo and 'SITI HASMAH DIGITAL LIBRARY'. A navigation menu contains links for 'About', 'Exam Paper', 'Master Thesis', 'MBA Thesis', 'PhD Thesis', 'DBA Thesis', and 'Browse by Subject'. A search bar is located on the right. The main content area features a welcome message and five interactive tiles: 'Latest Additions' (view items added in the past week), 'Advanced Search' (search using a full range of fields), 'Browse by Division' (browse collection by Division), 'Browse by Year' (browse collection by Year), and 'Browse by Types' (browse collection by Type).

Note: Please make sure the CISCO AnyConnect to be connected while accessing the eRep platform.
