

Guideline for Accessing ERep Using a Non-MMU Network

MMU Library's online collections, including **Past Year Examination Papers**, **Final Year Projects (FYPs)**, and **MMU Theses**, are available through the **ERep Platform** at: <http://erep.mmu.edu.my/>

If you are accessing these resources from a **non-MMU network** (e.g., home Wi-Fi, personal broadband, or mobile data), please follow the steps below:

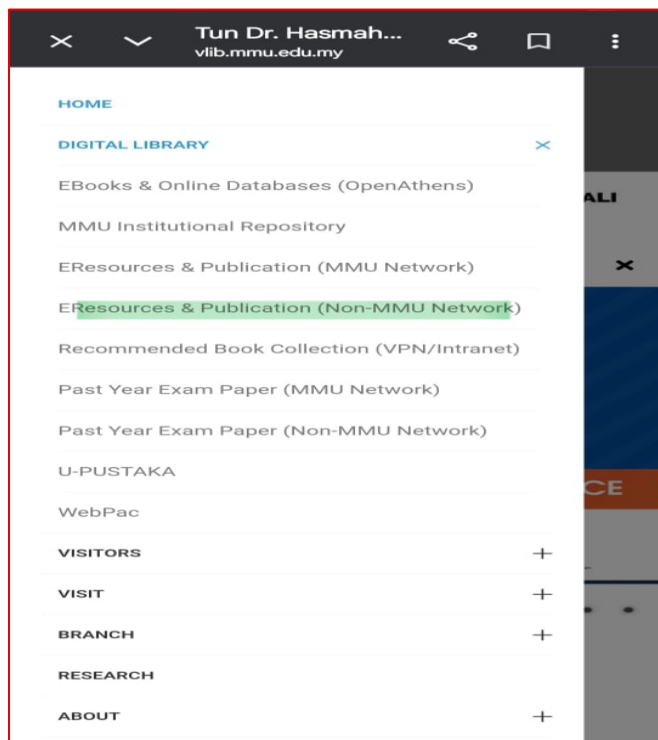

Step 1: Access the Library Portal

Go to the MMU Virtual Library portal:

<http://vlib.mmu.edu.my>

Click **Digital Library**.

Step 2: Select the Appropriate Resource

From the drop-down menu:

- For **Final Year Projects (FYPs)** or **MMU Theses**, select **eResources & Publication (Non-MMU Network)**.
- For **Past Year Examination Papers**, select **Past Year Exam Paper (Non-MMU Network)**.

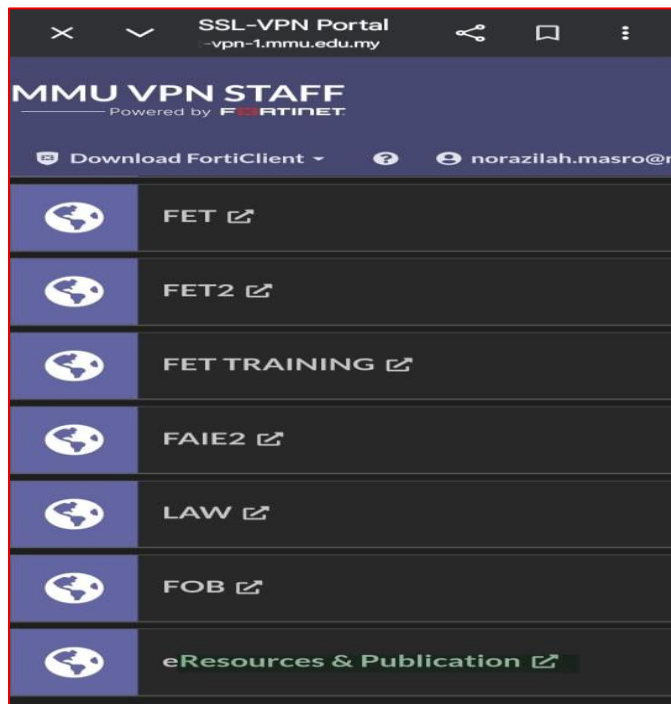

Step 3: Log In with Your MMU Account

You will be prompted to sign in using your **MMU credentials**. Enter your MMU username and password to proceed.

Step 4: Access the MMU VPN Portal

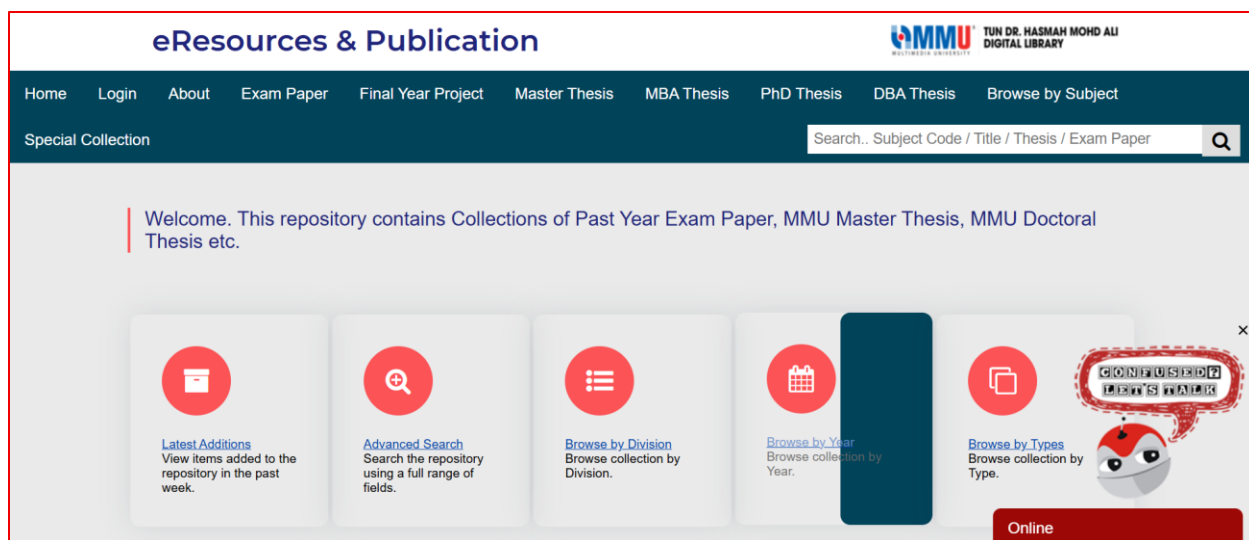

After successful authentication, you may be redirected to the **MMU VPN portal**.

Step 5: Open eResources & Publication

Scroll through the available applications and locate **eResources & Publication**, then click on it.

Step 6: Access ERep Collections

Once connected, you will be able to access MMU Library's in-house collections through the ERep platform, including:

- Past Year Examination Papers
- Final Year Projects (FYPs)
- MMU Theses
